## **STOCK #20131MF**

**TANK:** 2000 Gallon steel tank with (5) compartments holding 600/500/350/300/250 gallons. Tank has double bulkheads, emergency valves, 2" lines run to the rear terminating in 2" manifold with 2" suction point. Tank is 34G style with full skirting and dual full length catwalks, (2) 62" double door cabinets, (2) 64" wheel well cabinets, (2) built in hose tubes, and 16" lift out manhole covers with 10" fills. Tank has full rear equipment area with raise up canopy door. Front and rear steps with grab handles are provided.

**MODEL 34G:** This model has a large completely enclosed rear equipment compartment which will accommodate either dual or single meter and reel set ups. This compartment has large raise up canopy door with drip molding to protect driver from the weather. The rear equipment box has reinforced floor and is completely enclosed for dust free operation with double step down floor, which incorporates a built-in drain pan and drain valve.

**EQUIPMENT:** (1) Set of pumping equipment located in the rear including: Blackmer pump, Smith meter, auto stop, ticket printer, 12 volt Hannay hose reel with hose guide, 125' x 1-1/4" fuel hose, 1-1/4" nozzle with swivel, air operated power take off with cab mounted controls.

**TRUCK:** 1998 International 4700 with DT466E 210 HP diesel engine, 7 speed transmission, 12,000# front axle, 21,000# rear axle, reinforced frame, spring suspension, air brakes, steel rear and front wheels, 11R 22.5 tires at 50% or better tread, air ride driver's seat, fixed passenger seat, single 50-gallon fuel tank, air horn, West Coast and convex mirrors. Truck has air conditioning, AM/FM radio with Weather band, horizontal exhaust, front tow hooks and cruise control.

187,800 Miles

Unit has new coat of white paint.

Tank is MC 306 certified to haul gasoline and all other petroleum products. Current V-K-I-P tests are included.

A 90-day warranty on tank and equipment is standard. As is our custom, no warranty is offered on used cab and chassis.
